

Cybrary

All training durations less than 1 hour are not approved for CEUs.

You can earn 1 CEU for each hour of training. Follow these requirements to earn and receive CEUs.

Timing: You must start and complete the training course during your three-year renewal cycle. The same course content can only be submitted once per CE cycle.

Relevance: At least 50 percent of the training course must map to one or more of the exam objectives for the certification you're renewing. This includes the objective level.

Documentation: Submit the following documentation to receive CEUs for a training course:

1. Detailed description/outline of the training content
2. Completion certificate containing the following:
 - Your name
 - Name of the course
 - Name of the training provider
 - Date the course was completed
 - Number of hours

Training approved in this document is based on the exam objectives:

- A+ 220-1101 and 220-1102
- Network+ N10-008
- Security+ SY0-601
- Linux+ - XK0-005
- Cloud+ CV0-003
- PenTest+ PTO-002
- CySA+ CS0-003
- CASP+ CAS-004

Note: Approved training courses in this document are subject to change without prior notification. Training submitted based on prior approval will remain valid.
